# KEEP L.A.R.C. AFLOAT FOR ANOTHER 60 YEARS

## Help L.A.R.C.'s Villas Stay Ship Shape!

Founded by loving parents in 1959, L.A.R.C. Ranch underwent a stunning transformation in 2001 when our residents moved into their new villas. The 13 beautiful houses are home for 8 residents each, along with the villa manager. After nearly 20 years, the homes require significant maintenance: plumbing, roofing, flooring, and additional upkeep are all essential. Funds also support wonderful Apple Street house, a neighborhood residence, and L.A.R.C.'s essential day programs: L.A.R.C. Industries in Canyon Country and L.A.R.C. ADC, serving both residents and day clients, teach independent living skills and pre-vocational skills. With continued trucking of water as our pipeline project continues, along with rising costs of our excellent staffing, L.A.R.C. needs your help to keep the "neighborhood" strong and beautiful for our beloved residents, today, tomorrow, and for the rest of their lives and the lives of the residents to come.
